MEMORANDUM FOR: DDI Personnel Officer

FROM:

[REDACTED]
C/HRPS

SUBJECT: DDI Attrition - FY 1982 and FY 1983

1. The attached spreadsheet provides the DDI attrition data your staff recently requested for FY 1982 and FY 1983. Several points should be noted when interpreting the attached data:

- a. Statistical projections were used to construct the remainder of FY 1983.
- b. The larger FY 1983 attrition rate seems to derive from a combination of factors (separations, ceiling changes, and reassignments) rather than one factor.
- c. EOD's are excluded from the computation of attrition rates.

2. Please contact myself or [REDACTED] if we can be of further assistance.
